

# RISE & BUILD

*Empowering Women's Careers*

BUILD CONFIDENCE · BE SUPPORTED · GET EMPLOYED

Rise and Build helps you thrive in male-dominated industries with mentoring, accredited training, and hands-on experience. You'll discover your strengths, gain confidence, and develop real skills to succeed in your chosen field. As you grow, you'll be supported to lead, mentor others, and shape more inclusive workplaces—making a lasting impact on your future and your industry.

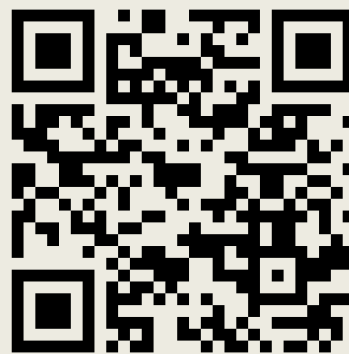

## *Highlights:*

- Access at no cost to you
- Culturally safe, flexible and inclusive
- Hands-on training, job opportunities and industry tours
- Build skills and confidence at your pace
- Pre-employment training and tailored resources
- Connections to employers ready to hire
- Clear pathways into leadership roles
- Ongoing mentoring and personal support
- Accredited training

## *Industries:*

- Construction
- Advanced Manufacturing
- Clean Energy
- Digital Technology
